Meeting Date:	June 8, 2026

REQUEST FOR COUNCIL CONSIDERATION – EXECUTIVE SUMMARY

ITEM DESCRIPTION: Micromobility Transportation Issues

Action Requested: Discussion
Informational

Form of Action: N/A or Other

Votes Needed: N/A

Summary Statement:	As identified in the 2026-2027 Commission Term Work Plan reviewed by Council last month, micromobility transportation issues (i.e., e-bikes, e-scooters, & e-motos) is a topic that Commissioners are tasked with reviewing for community education and other public safety purposes. The Public Safety Commission is pleased to welcome Danny McCullough, Three Rivers Park District- Regional Trail System Manager, to present on this topic.
---------------------------	---

Recommendations:	Receive presentation and ask clarifying questions.
-------------------------	--

Applicable Deadlines:	<u>N/A</u>
------------------------------	------------

Community Impact:	The rapid proliferation of micromobility options—including electric bikes (e-bikes), electric scooters (e-scooters), and light motorized vehicles (motos)—has fundamentally changed our local transportation landscape. While these options offer a vital, low-emission alternative to traditional vehicular travel and bridge critical public transit gaps, they have also introduced significant safety hazards, pedestrian conflicts, and
--------------------------	--

	infrastructure strain.
